

How to Get Risk-Free Solvent Recovery Equipment

**Reduce Solvent & Waste expenses with no upfront costs.
Save at least 50%!**

Step 1 - Application Review

We review your solvent, waste, and recovery needs to discover which machine matches your facility and how it can fit into your existing floorplan.

Step 2 - Savings Review

We will select the right equipment based on your application and show you the savings options.

Step 3 - Shipping, Installation & Training

A technician will be sent to set up the system and perform recovery tests to optimize operating parameters and ensure satisfaction.

Step 4 - Support & Maintenance

We will handle monitoring the systems performance remotely and provide support and maintenance as needed.

10
YEARS
WARRANTY
ON
BOILING VESSEL

No Risk Trials Available

If you are not satisfied during the first month of on-site equipment use, Maratek will remove the unit, and no fees will be charged. If you decide to keep the equipment, our Share The SavingsTM program offers 1, 3, 5 and 7 year terms as well as purchase options.
